

A Living Trust will benefit Corban

Meet Ed and Blossom Fischer who are long-time supporters of the College and its mission. They understand the importance of a rigorous college education with a biblical worldview. They know that with this type of preparation, our students will impact the lives and ministries of others throughout their careers and will ultimately make a difference in the world for Jesus Christ.

To help Corban continue to provide this unique

type of education to Christian students, the Fischers have designated the College as a recipient of a certain percentage of their estate, through a Living Trust. This estate gift will eventually be used to provide scholarships to students with a financial need.

To learn more about Corban College and how you can help to further our mission with an estate gift, please request a copy of our booklet, *Planned Giving Options*.

For more information about Corban's planned giving options, please call Chris Erickson at 1-800-845-3005 or e-mail cerickson@corban.edu. You may also visit our website at www.corban.edu and click on "Giving to Corban."
